Resubmitted to the Tahsildar, Karkal

Five sketches in duplicate with index showing the site of the proposed ferry points by the panchayats Board, Nitte to be read in place of sketch submitted with Nitte Village is added. The position of the ferry and its limits have been marked in red pencil on the sketch. The Panchayat Board, from Nitte to Kaniyaur crosses the White Water river at this place. Several persons use the road to go to Kaniyaur and thence to Karwar, Goa and other places. The river is fordable during the summer season but it is not possible to cross the river during the rainy season. The people of the neighbouring villages on the road go to Mudabidri via Karkal during the rainy season. A ferry at this place is essential so it is learnt that the panchayat Board of Nitte has already sanctioned Rs 35/- for putting up a boat at this place. The proposal of the panchayat Board to have a new ferry is recommended.

Tahsildar

Board, Nitte.

He should state whether the proposal of opening the farm in question has approval by the Sub Division of Local Boards. If so the No and date of the order approving the proposal may be given. He should get the approval of the D.B.O. before opening a farm. He should also state the expected income to the panchayat if a farm is opened.
